What is Balayage?

Do you want to add some brightness to your hair but retain a natural look? We are the balayage specialists. Balayage comes from the french word 'to sweep'. Working on individual sections at a time, our expert colourists use a brush to sweep colour onto strands of your hair, starting lightly at the root and saturating the ends. A balayage is carefully blended with your hair, has no harsh regrowth, and looks beautiful. So you can have sun kissed hair, even in winter.

STYLING

We know nothing gives you new found confidence like a fresh cut. Enjoy a relaxing cut and blow dry in our capable hands. Add a bit of glamour in your life with a hair up, perfect for weddings or big events. Go for a trim to freshen up your locks, or a restyle for an exciting new you. Our expert Stylists know how to create a cut that compliments your face shape and hair type, so you can feel amazing.
